

#DoMore24 Social Media Kit

Powered by United Way of the National Capital Area, Do More 24 is a local movement that encourages donors to contribute to the causes and organizations closest to their hearts to solve our region's most pressing challenges. Through focused online giving on June 4, 2015, Do More 24 provides the opportunity for people to allow us to continue addressing the challenges we still face in assuring equality in women's health.

We hope you'll utilize the tweets, hashtags, and/or graphics to support our work, and please feel free to post your own content related to this subject using the #DoMore24 hashtag.
